

Due to the Nebraska Legislature adopting LB348 as of July 19, 2019, Washington County has adopted the following codes with changes as per state of Nebraska (minus Section R313 of the 2018 IRC Automatic Fire Sprinkler System) and the following Appendices **to be effective and enforced August 1, 2020:**

2018 IBC	Including Appendix C Group U - Agricultural Buildings Including Appendix I Patio Covers
2018 IRC	Including Appendix E Manufactured housing used as Dwellings Including Appendix F Radon Control Methods Including Appendix H Patio Covers Including Appendix K Sound Transmission Including Appendix M Home Day Care - R3 Occupancy
2018 IEBC	
2018 IPC	
2018 IMC	
2018 IFC	
NDEE for septic systems (Nebraska Department of Environment & Energy)	
2018 IFGC	
2018 IECC	

Please become familiar with the new codes prior to this date. If you do not have access to the code books, they can be found at the Blair Public Library.
